CONCEPTUAL PRESERVE TRAIL SYSTEM FOR THE MCDOWELL SONORAN PRESERVE

- 1. Grade separated crossings not on the GP will be requested as amendments to Trail Plan.
- 2. Perimeter trail along Pima and Stagecoach will be pulled back from Right-of-Way.
- 3. Should approved golf course be built, MSPC recommends deleting stipulated eastern trail and adjusting the location of the northwest trail to better integrate route with Preserve & GP trails.
- 4. Possible GP change to move grade separated crossing at Dynamite to Jomax/Pima Rds.

City Boundary

R ecommended Study Boundary for the McDowell Sonoran Preserve: 36,400 Acres

city of scottsdale, arizona
